

SM310, SM500 & SM550 SPC Set Masters

Custom set masters can be made for most applications.

SM310 = 31mm Set
SM500 = 50mm Set
SM550 = 55mm Set

Used for presetting indicators to a nominal length.
Also, can be used for verifying preset prior to measurements being made.
All contact surfaces are hardened and ground black oxide finish.
